Shenzhen Trendz Technology Co., Ltd. started in the year of 2009, and specializes in manufacturing personal care, beauty care and household products, at the brand "ZLIME".

With customers' support and the help of our mother enterprise Trendz Int'l (Hong Kong) Group, ZLIME grows rapidly. In 2010, we set up our own factory, covering an area of about 1,800sqm with 3 production lines. Our factory is equipped with injection molding machines, CNC lathes, milling machines, etc.

Our company has strong R&D ability. Outlooking designers, structure designers and electric engineers are all with experience of about 8 years. There are 3 to 6 new items released every year. Most of them are patented.

Depending on high quality products and service and reasonable price, ZLIME brand is welcomed by clients. In China, our partners spread over more than 20 cities. In overseas markets, we cooperate with many famous brands in USA, Europe and Japan, like SEPHORA, LANCOME, SHISEIDO and etc. Meanwhile, our goods obtained many countries' safety certifications, such as CCC, CE, RoHS, REACH, UL and so on.

We are looking forward to hearing from you and cooperating with you for win-win business. Don't hesitate to contact us if there is any question!
